UNCLE SAM AND GREATER AMERICA

A SPECIAL from Frankfort says as a result of a half dozen conferences of the Stone and Pratt leaders in the last few days it is said that a plan has been agreed on to combine all of the forces opposing Attorney General TAYLOR and unite them in a boom for Hon. JOHN W. YERKES of Danville.

It is admitted that TAYLOR, as matters stand, has nearly if not quite enough votes to nominate him, but YERKES, it is believed, would be able to pull away from him a part of that which has been instructed for him. General TAYLOR went to Louisville Wednesday, where he held a conference with Senator DENOR, Chairman BARNETT of the State Central Committee, Collector SAFF and Postmaster BAKER.

At the Taylor headquarters the same serene confidence in the outcome of the Lexington Convention was expressed, as it is claimed that next Saturday's Conventions in the remaining nineteen counties will run his vote up to over 1,200, and will make his majority so large that the opposition, even if it breaks in on his instructed vote, cannot affect the final result.

Ex Congressman JOHN W. LEWIS of Springfield and Hon. L. J. CHAWFORD of Newport were in several conferences with the Stone-Pratt managers.

Mr. Lewis is very violent in his opposition to TAYLOR, and since his departure from the city there is a story in the anti-Taylor circles that a movement has been started to bring pressure from Washington to bear on TAYLOR to get him to withdraw in the interest of harmony. This is not credited at all, and at least will not be effective.

Some of the anti-Taylor leaders are quoted as having said that if YERKES or some anti-Taylor man is nominated, Governor BRADLEY would call a special session of the Legislature to repeal the Goebel Election Law; but that if TAYLOR is nominated as a result of the alleged snap Conventions in many counties, the Executive would refuse to take the responsibility for such a step, and this promises to be used with some effect against TAYLOR.

Baltimore has the largest Negro population of any city in Christendom. The census is expected to show at least 125,000.
